2. In the absence of the Chairman, Lindsay Powell took the chair with the agreement of the meeting.

No matters were raised from the minutes.
4. The meeting noted the deaths of Andy Dunn, and Ron Burgess.
5. There were no proposals for the election of new members
6. Katherine Stonham had provided the striking competition rules used by the Branch and dated April 2013, and it was decided to re-adopt these (noting that they allow overlapping bands from one tower, specifically one ringing a method and one ringing call changes).
7. It was suggested that future Half Year meetings might be better attended if held in October.
